

Visual Arts 3 – 2016-2017

Course Objectives:

Using a variety of media, students will begin to apply greater detail to their artwork. They will also respond critically to different works in the arts, connecting the individual work to other work and to other aspects of human endeavour and thought.

Resources:

Various applicable resources from library and internet.

Main Topics Covered:**First Quarter**

- Use art materials and tools in a safe and responsible manner
- Explore different face features in cartoons
- Understand colour as symbol
- Create 3D houses and small miniatures

Second Quarter

- Recognize monochromatic colours
- Study and create decorative ornaments in artworks

Third Quarter

- Explore production techniques using different media
- Study Impressionism as an art movement
- Understand form as an element of art

Fourth Quarter

- Construct papier maché
- The use of shade in sketching still-life objects
