

Art and Design 9

Time: 6 x 35 minutes per week

Course Description:

The grade 9 Art and Design course is aimed at preparing students with the knowledge and skills needed to be successful in the IGCSE examinations at the end of grade 10. Emphasis is on the process of creating a work of art imbued with critical studies of art masters, while also developing students' research and writing skills. Students are expected to become better at appreciating and understanding art aesthetics and have better technical skills with which to produce their own artwork.
