

Bahasa Indonesia 9

Time: 5 x 35 minutes per week

Course Description:

The Bahasa Indonesia program is aimed at students for whom Bahasa Indonesia is a language of everyday use. The students will enable to understand and respond to what they hear, read and experience. They also will enable to communicate accurately, appropriately, confidently and effectively. This is achieved by learning topics relate to the interest and needs of students in using Bahasa Indonesia.

Resources:

Trianto, Agus. (2007) *Pasti Bisa 3*. Jakarta, ESIS.
