

Mathematics 6

Teachers: Miss Merry de-Fretes (6 Blue, 6 Red & 6 Yellow)

Time: 8 x 35 minutes per week

Course Description:

The Grade 6 Mathematics package is a comprehensive, activity-based programme designed to provide pupils with a firm foundation in Maths and to develop creative and critical thinking skills resulting in efficient problem solvers. It continues to make the learning of Maths fun and rewarding through the use of engaging illustrations and games that help to reinforce and consolidate learning.

Resources:

My Pals Are Here! Mathematics Course book 6A and 6B

My Pals Are Here! Mathematics Practice book 6A and 6B Parts 1 and 2
